Message from the **Director / Founder**

Mr. Salah Ud Din

Director / Founder,
Shazia Maternity Hospital

Mr. Salah Ud Din is the Director / Founder of Shazia Maternity Hospital. Under his leadership, the hospital has grown with a clear focus on women's healthcare, maternity safety, neonatal support, and institutional development. He is committed to building a trusted healthcare environment that combines compassion, service excellence, and modern medical systems.

“

Our goal is to continuously improve maternal and neonatal healthcare standards by combining compassion, clinical excellence, and modern healthcare technology. Shazia Maternity Hospital is committed to long-term growth and modernization in order to serve our community with dignity, safety, and trust.

”

MATERNITY HOSPITAL

Message from the **Senior Consultant**

Dr. Shazia

Senior Consultant
Obstetrician & Gynecologist

Dr. Shazia is a senior consultant and one of the leading pillars of Shazia Maternity Hospital. With extensive experience in obstetrics, gynecology, safe motherhood, and women's healthcare, she is committed to evidence-based care, compassionate patient support, and clinical excellence. Her work focuses on antenatal care, high-risk pregnancy management, safe deliveries, postnatal care, and the overall well-being of mothers and newborns.

“

Every mother deserves safe, respectful, and compassionate care. At Shazia Maternity Hospital, we are committed to protecting mothers, supporting families, and giving every newborn the healthiest possible start in life.
